

SPECIFICATIONS

Housing: Die cast aluminum with internal rib design to prevent wall distortion or stress sagging; built-in hinge. External 16GA. Mounting flange provided with (4) 1/2" by 3/4" mounting holes for fixture installation. Housing shall have penetration from external junction box to the ballast compartment sealed with weather-proof wire connector (connector shall have individual holes in grommet for each wire). Finished architectural bronze. See finish note.

Door Assembly: Die cast aluminum, clear tempered lens, silicone caulked to frame plus eight hold down clips, integral silicone door frame gasket to complete lifetime seal. Finished architectural bronze. See finish note.

Reflector: Computer generated one-piece semi-specular aluminum for maximum efficiency.

Ballast: High frequency electronic ballast 100W or 120—277V. Contact factory for other voltages.

Lamp: Fulham High Horse electrodeless fluorescent lamp with average rated life of 100,000 hours.

Finish: Detergent cleaned with iron phosphate and chromic acid rust inhibitor, resistant chip resistant powder urethane polyester coating, electrostatic applied and baked. Standard colors textured black, sky white and textured bronze. Custom colors are available. Consult factory or sales representative.

Labels: I.B.E.W. labeled, ETL / CETL listed. Suitable for wet location.

Fixture Warranty: The mechanics are guaranteed to be free from defective material and workmanship, under normal installation and operating conditions, for five years from date of shipment from the factory. See general terms and conditions.

Maximum Ambient Temperature: Maximum 118°F.

Photometric Information: Contact factory.
